

DESERT BICYCLE CLUB FITTING GUIDE

SUPER-FIT

MEN

GENEROUS CUT

The Super-Fit Jersey features a more mountain bike-inspired box fit and is the most generous cut offered.

PRO-FIT

MEN

SLIMMER CUT

Pro-fit jerseys fit the majority of cyclists, blending a traditional tapered cycling jersey cut with a more generous shoulder and chest design to fit most cyclists. It will be slimmer than the Super-Fit but more generous than the Alta-Gamma.

ALTA-GAMMA

MEN & WOMEN

RACE / SLIM CUT

The Alta-Gamma jersey features the most slender fit because of both the fabrics used and its narrower chest and sleeve design.

Women's

WOMEN'S CUT

The Women's Specific Jersey was created using Giordana's Women's Contour System and features a more bell shaped cut with a slimmer shoulder and sleeve design.
