Oct. 2007

It's that time of year when we send out renewal packets to our members and start to arrange the annual dinner/dance. The party committee is hard at work to make this year's event a great one.

Gary Lueders led a group on the "old" ride route across the freeway by the car dealers last Saturday. Anyone wishing to join in the future is welcome. The group is getting so big that we decided it could split up and go in different directions. So, now you have a choice!

The "season" is here. The good news about this is we have a lot of guest riders from other areas. Let's enjoy their company and show them what a great club we have. The bad news is there will soon be a lot more traffic. Stay alert and safe as you ride through the valley.

Enjoy the ride,

Doug Winters
DBC President
