Jersey Update

Jerseys Ordered

The exciting news this month is the new club jerseys have been ordered and should be delivered in December! This is an all new design by club member Peter St. Louis.

Thanks go to Peter, and David Firestone for all their work on this.

These are the new "Sport Cut" jerseys. They run a little small. If you currently have a race cut jersey it will be the same size. If you currently have a club cut jersey, you may want to go up one size in the new jersey.

Announcements will be made as soon as they come arrive.

Membership Renewal Time

Packets Are In The Mail

The membership renewal packets have been mailed. Keep an eye on your mail for your renewal forms. Don't forget to sign and return the waiver. You can also prepay for your new jersey.

Event Schedule Correction

Date Correction

The special ride and event schedule in the Membership packet has two dates to correct.

Dec. 13

BOB GADDINI MEMORIAL RIDE.

First part of regular Saturday ride will proceed to memorial site.

Jan. 24
FISH HATCHERY RIDE.
This is an alternative ride offered Saturday morning from Palm Desert Park. Regular rides will also be held.

The DBC membership committee apologizes for the error.

"C" Ride Leader Needed

Be an Active Member

We have a number of people who have expressed an interest in doing the C Ride, but to get the ride established requires someone who's willing to lead it and help keep it organized. There's a minimal amount of time required to do this - mostly just showing up on Saturday and being willing to ride with your group. This is a chance to be an active member of the club and your participation will not only prove to be personally satisfying but will benefit many other beginning and returning cyclists. PLEASE CONSIDER BEING A RIDE LEADER.

Bill and Brenda Tracy (760 - 346-3693) lead the 2nd B Ride and will gladly talk to you about leading group rides.
