President's message

The weather is warming. Soon, we will be trying to stay cool, rather than warm. The ride times are changing as of May 1. New times below.

The "C" ride is struggling to survive. Some weeks we have 3-4 riders, other times we have no riders. If you are a "C" rider, try to make these rides.

The later ride (2nd "B" ride) has been working. This ride starts 1/2 hour after the early Saturday ride. If you want a slightly slower, smaller group, try out the new ride. This group leaves no one behind. If there is a flat, they all stop to help. They say it's the "kinder, gentler ride". These riders actually do the 20-22 mph that we say our "B" rides do. Our early "B" ride has seen spurts of 28 mph recently. At least it seems to slow down after the LQ hill for us slow pokes to hang on.

Spring Picnic

SAVE THE DATE!

Don't forget DBC's spring picnic will be on Saturday, May 10th at John Yoak's house beginning at 3:30 pm. His address is 73600 Siesta Trail, Palm Desert. It's near the Living Desert. Look for details and directions in an upcoming email.

There will be food (hot dogs and hamburgers) and soft drinks provided by the club. Bring a dish (salad, desert, etc.) if you like and your favorite adult beverage.

This is a family event. So bring your spouse, significant other, and/or the kids if you like. His nice swimming pool will be available to us.
