Change of Ride Times

Change of Season

Summer is over and I am looking forward to the cooler weather. With that comes shorter days. The Saturday ride will begin at 7:30 as of Oct. 6. The weekday rides will begin at 6:45 as of Oct. 1.

I would like to encourage members to wear their club jerseys on the Saturday rides to show our unity as a club.

Enjoy the ride

Doug Winters
DBC President

"C" Ride

Coming Oct. 6

Our club is re-introducing a "C" ride starting Saturday, October 6th. So if you're not riding with us because you're tired of getting dropped, now is the time to come back out. If you haven't ridden with us because you didn't think you were fast enough or the route was too long, come out and join us in the newly formed "C" group. Now is the time for those of you who want to ride not quite as fast as the "B" group, to come join the fun.

Volunteers Needed

Club Party Committee

We need volunteers for the committee for the upcoming January bike club party. Get involved in your club and help make this an event everyone will remember. Contact us at cycleclub@yahoo.com

Ride Options

Sat Ride Options

Tired of the same old route? Craig Johnston is working on some new options that we can ride once in a while in addition to the normal Saturday ride. If you have any routes you would like to try, contact Craig at cycleclub@yahoo.com or talk to him on the Saturday ride.

New Button for Signal Light

Signal Control

There is now a button on the NW corner of Tamarisk Row and Country Club Dr. Now the Saturday riders can trip the light and maybe not get caught in the intersection when the light changes to red. Thank the City of Palm Desert Public Works Dept. for helping us there.
